

From motorways M20, M25 and A21:

Follow signs for Hildenborough and take this exit. Continue along road for three miles until you come to Tonbridge town centre.

Directions from Tonbridge town centre:

Tonbridge railway station is located on the high street in the town centre. Beginning with the station on your left, continue down to the end of the high street, where the road will fork left (signposted Hildenborough and London). The road is named **Tonbridge Road**, or is sometimes referred to as **London Road**.

Look out for a speed camera on your right and a Hilden Manor Beefeater on your left. Follow this road.

Approximately 3/4 of a mile down, you will see a large Volvo garage on your right. Immediately after this is the Half Moon pub. Around 200 yards after the pub, you will see Snippits Hairdressers. **Cindy Knight Clinic** is situated behind Snippits, in an enclosed, private surrounding. To locate the parish church car park, continue past Snippits and take the first immediate right. Take the first right again, and you will find a large car park located behind the church hall.
